Prayer: All

Review of Minutes: O.k.

Third Quarter Report: There has not been any significant change in the budget. The collections are still down 7%. The plant costs are up due to the repairs made to the roof on the rectory, and the repairs on the school/church roof. Plant repairs will continue to rise with the roof repair on the boiler room in the school; the repair and replacement of the AC unit in the rectory; and the repair to the pipes in the girl's restroom in the school at a projected cost of \$2,400.

Phones: Joe handed out information on replacement phone system for the school/church. Subject tabled till next month so members may review the information.

Budget: The budget has not sent down town yet because, the Archdiocese of Detroit has not sent this year's budget packet yet. Pam has called on the packet at least 3 times. The committee is still working on it.

Open Discussion:

Fr. Dan will have a reception this weekend following all the Masses. The reception will be coffee, punch, cookies and cake. The parish will be invited to write a few words in a memory book, and to say goodbye. The reception will be hosted by Joe Strube, Dave and Sharla Diaz.

Parish Mission will take place in May. This joint mission with St. Patrick will cost each parish \$1,000.00. The Brothers will be staying at St. Elizabeth Rectory.

Closing Prayer: Joe Strube
